## NEXT MOVIE

SPRING IS HERE - AND SO IS "MARGIE". For a Spring evening in April (Monday, the 13th) we are presenting a sentimental and romantic film comedy entitled "Margie". It is suspected that most of the "discriminating" movie goers passed it by when it made the rounds. It is hoped that BERA film followers won't do the same. The movie attempts nothing more than to provide a light, gay and very amusing evening and it does this with attractive sets, pleasant music, and a rose colored plot. Youngsters from 12 up will enjoy it as much as you bitter, cynical adults.

Lecture Hall at 8:30 p.m. - Admission \$.50
